# SPIRITUAL & PEDAGOGICAL COMPETENCES AT CATHOLIC SCHOOLS FOR TOMORROW'S WORLD

MALLORCA 2008

# **THE PRIORITIES OF A HEAD AS A SPIRITUAL LEADER OF A CATHOLIC SCHOOL (BRATISLAVA):**

- To deepen their own experience and knowledge of the faith and catholic values they want to implement in the school and to reflect on the practical consequences in the organizational, academic, pastoral and everyday aspects of school life.
- To deepen professional competence: pedagogical, organizational, budgeting and all the practical aspects of legislation, together with a good knowledge of the reality they want to change.
- To increase motivation and communication skills, the ability to create climates, find spaces and times to construct relationships among all the school community: teachers, students, parents and non - teaching staff.
- To mentor and to accompany teachers through formation processes so that they learn to learn and to situate constant innovation as a form of fidelity to the values and charisma of the school in order to bring the pupil to his/her plenitude as a human being and as a Christian.

# OBJECTIVES

- REFLECT ABOUT THE INVOLVEMENT BETWEEN THE IDENTITY, THE SHARED MISSION AND THE EDUCATIVE ACTION
- TO SHARE EDUCATIVE CRITERIA AMONG THE MEMBERS FROM THE EDUCATIONAL COMMUNITY, THAT STRENGTHEN THE INVOLVEMENT WITH THE SCHOOL DEVELOPMENT PLAN..
- TO CREATE AWARENESS OF THE IMPORTANCE OF INNOVATION AS THE DYNAMIC OF ALL ACTIVITIES.
- CONSOLIDATE STABLE WORK TEAMS AND ESTABLISH COOPERATIVE NETWORKS.
- TO CREATE PROCESSES AND INSTRUMENTS OF PERMANENT REFLECTION ABOUT INNOVATION AS THE CORE ELEMENT OF THE WAY THE SCHOOL WORKS.
- IMPLEMENT THE NECESSARY FORMATION AND RESOURCES TO MAKE CHANGES IN THE CLASSROOM AND THE ORGANIZATION OF THE SCHOOL.

# Areas where INNOVATION is needed in schools

Legal changes

Patterns of  
behaviour of  
students and  
families

Pastoral
